

STATE OF NEBRASKA
DEPARTMENT OF NATURAL RESOURCES

**REQUEST FOR AMENDMENT TO WATER USE CONTRACT
TO ALLOW CONTRACTOR TO ENTER INTO A PERMANENT EASEMENT
FOR RETIREMENT OF WATER USE FOR IRRIGATION
NEBRASKA PLATTE-REPUBLICAN RESOURCES AREA
CONSERVATION RESERVE ENHANCEMENT PROGRAM**

Instructions: This Form is to be completed and returned with the Amendment to the Nebraska Department of Natural Resources Water Use Contract of the Nebraska Platte-Republican Conservation Reserve Enhancement Program. A separate form is required for each Water Use Contract.

1. WATER USE CONTRACT NUMBER: _____

2. WATER USE CONTRACT INFORMATION

Are all lands included under this Water Use Contract to be included in the permanent easement?

Yes No

If "No": Attach to this form an aerial photograph provided and marked by the local natural resources district that identifies the lands that will be included in the permanent easement. If there are two or more groundwater wells associated with the Water Use Contract the aerial photograph shall identify by different cross-hatching patterns the lands included in the permanent easement that are associated with each identified well.

3. SURFACE WATER APPROPRIATION INFORMATION if eligible land has surface water appropriation(s)

List all valid surface water appropriations appurtenant to the Eligible Irrigated Land which will be included in the permanent easement. Your signature(s) on the Amendment to Water Use Contract for Permanent Easement form, and the filing of the final permanent easement, documents and serves as your relinquishment of all surface water appropriations attached to lands included under the easement and your agreement that such water appropriations may be cancelled at the time the permanent easement takes effect.

Surface water appropriations held in the names of irrigation districts, public power and irrigation districts, or mutual canal or irrigation companies are not subject to such amendments

DNR SURFACE WATER APPROPRIATION NUMBER(S): _____

4. REGISTERED GROUNDWATER WELLS if eligible land has authorized groundwater irrigation well(s)

List all Department of Natural Resources groundwater well registration numbers for groundwater wells registered to irrigate the lands that will be included under the permanent easement.

DNR Groundwater Well Registration Number(s): _____

5. REQUIRED ATTACHMENTS & SIGNATURES

- Attach to this form a recently completed report of title on a form issued by the local natural resources district. Include a list of the current addresses of all landowners and lienholders if not included on the report of title.
- Attach to this form verification of a conditional offer for a permanent easement signed by the local natural resources district.

- Attach to this form the completed Amendment to the Nebraska Department of Natural Resources Water Use Contract of the Nebraska Platte-Republican Conservation Reserve Enhancement Program.

- ALL landowners and lienholders on report of title must sign in the area provided on the Amendment to the Nebraska Department of Natural Resources Water Use Contract of the Nebraska Platte-Republican Conservation Reserve Enhancement Program. Sign on the first line, and print the name on the line that starts with "By". If a person signing is signing for another person as a personal representative or as a person having power of attorney, documentation of such representation must be provided. A power of attorney form may be found on the Department of Natural Resources website at the web address below. If more signature lines are required, contact the Nebraska Department of Natural Resources CREP manager.

- Send the Completed forms and attachments to:
