

Notice of RFP for Professional Services

The North Platte Decree Committee (NPDC), created by the States of Nebraska, Wyoming, and Colorado, and the United States of America to assist in the monitoring, administering, and implementing the Modified North Platte Decree and the Final Settlement Stipulation is seeking professional services in accordance with the January 9, 2006 NPDC Budget and Disbursement Procedures for the evaluation of three flow measurement sites near the Wyoming-Nebraska state line.

The Consultant(s) will provide an evaluation of the hydraulic characteristics at each site and make recommendations that would improve the stability and accuracy of the flow monitoring sites so there is minimal variation in the stage shifts used for determining daily discharges.

Interested consultants and subconsultants may request an RFP in writing from the Chair of the State Line Gage Subcommittee (address below) or the following websites:

<http://seo.state.wy.us/>

http://www.dnr.ne.gov/docs/requests_proposals.html

Please include your firm name, contact name, address, phone number and e-mail address along with your request.

The Proposer shall include a certification that the work conducted will be supervised by a professional engineer licensed in Wyoming and Nebraska. The professional engineer certification shall meet the provisions of Wyoming State Statutes 33-29-114 through 33-29-139 and Nebraska State Statutes, Sections 81-3401 through 81-3455.

An informational meeting/conference call will be held on May 6, 2008 in Lincoln, Nebraska at 10 am local time at the Nebraska Department of Natural Resources. Those wishing to attend this informational meeting/conference call should contact the Chair of the State Line Gage Subcommittee at 402-471-0586.

Any questions regarding the proposed project or RFP procedure should be submitted in writing to Jesse Bradley, the NPDC State Line Gage Subcommittee Chair. Questions will be answered in writing and copies provided to all persons who requested a copy of the RFP.

Sealed non-priced proposals and sealed cost proposals as outlined in the RFP must be sent to the Chair of the State Line Gage Subcommittee at the following address:

The Nebraska Department of Natural Resources
Attention: Jesse Bradley
301 Centennial Mall South
Fourth Floor State Office Building
P.O. Box 94676
Lincoln, Nebraska 68509-4676

Proposals must be received by 3:00 pm, May 22, 2008 at which time the non-priced proposals will be publicly opened.

The proposal review team may conduct interviews. If needed, the interviews will take place on June 5, 2008 in Lincoln, Nebraska. Notice to Proceed is anticipated to occur no later than June 20, 2008 with the term of the contract being one year.
